

At Paco's Sol Bistro, we believe that every new day provides a reason to celebrate. We believe that sharing something in common is the derivative of true friendship. We believe that taste buds spark the most creative of ideas, and that our favorite experiences in life are evoked while dining.

Paco's Sol Bistro invites you to share your experiences with us, and in return, we'll prepare for you a made-from-scratch meal and a few cocktails to complement the conversation.
